Dear Parents:

It has been my honor to serve you and St. Columba School for the past five years. Together we have built on the strong foundation of St. Columba and built to new heights. I am sure with your continued support and help, St. Columba School will grow even higher. It was not an easy decision to retire from St. Columba School, so it is with a heavy heart that I leave St. Columba. St. Columba School will always be in Robin's and my prayers. May God Bless all of you and St. Columba School!
